#### The Garden Club of America

To stimulate the knowledge and love of gardening; to share the advantages of association by means of educational meetings, conferences, correspondence and publications; to restore, improve and protect the quality of the environment through educational programs and action in the fields of conservation and civic improvement.

#### The Seattle Garden Club

The objects and purposes of the corporation shall be to stimulate the knowledge and the love of gardening, to aid in the protection of the quality of the environment, to encourage and assist in civic beautification, and to aid and carry on charitable, scientific and educational activities in all of the said fields.

#### Conservation Pledge of The Garden Club of America

To preserve America's beauty and natural heritage for future generations, we pledge:

- To promote conservation stewardship through environmental education and advocate scientifically based environmental legislation,
- To work to protect endangered species, especially flora,
- To promote biodiversity and to conserve natural resources,
- To encourage the responsible use of our public lands for the benefit of all citizens,
- To work to reduce industrial, municipal and household waste and advocate the prevention of pollution of soil, air and water.

Adopted by the Conservation and the National Affairs Committees, 1994

#### GCA PROCEDURES FOR VISITING GARDENS

One of your great opportunities as a GCA member is to visit the loveliest private gardens in the world. Procedures for arranging garden visits are as follows:

At least two (2) weeks, if possible, before taking a trip, a member should telephone her Club Chairman for the name, address and phone number of her Zone Visiting Gardens Representative.

The Zone Representative will give the member the name of the Visiting Gardens Club Chairman in the city that she will be visiting.

The member then contacts the Club Chairman and gives the dates of her visit and kinds of gardens of interest to her. If there will be other people with the member (she may bring three non-GCA guests on a garden tour), she should tell the Club Chairman at this time.

The Club Chairman will set up a garden tour and arrange to contact the member when she arrives in the city.

When planning a visit to Hawaii, please make your request four (4) weeks in advance. Also, Mt. Desert GC has specific rules (ask Zone Rep.).

Information for visiting gardens of GCA Courtesy Clubs may be obtained from the Visiting Gardens Committee Zone Representative. The Courtesy Clubs are: Garden Clubs of Montreal, Toronto, Vancouver, Jamaica, Bermuda, Bavaria, Uruguay, and New Zealand. There is also a non-GCA contact person in Charleston, South Carolina, as there is no GCA Club in Charleston. Requests to these clubs should be made at least four (4) weeks ahead.

Remember that the Visiting Gardens Committee does not authorize using any Visiting Gardens privileges for professional purposes, i.e., for professional photography or for articles to be professionally published.

## A Brief History of the Seattle Garden Club 1917-2000

The Seattle Garden Club was founded in 1917. For a few informal years we could make our own rules, such as summers-only memberships, even a few gentlemen members. The Garden Club of America tightened us up when we affiliated in 1923. In spite of our ever-after obligation to conform to their rules, we have been more than compensated by the many joys of association. We are among 189 clubs thus associated. Regional and national meetings, visits from national and regional officers and other experts, and mutual projects with Portland and/or Tacoma have led to delightful encounters with like-minded persons, and even to lifelong friendships. We have proudly contributed a fair share of regional and national officers too.

Each generation of members has produced enthusiastic and generous individuals who have generated magnificent horticultural enhancements for Seattle, and who have given our Club all the credit. Most of their names can be found on our list of medalists; and because of them, we can truthfully boast that Seattle has become a more beautiful city because this Club exists. Furthermore, the wonderful generosity of three of our members, during the past few years, has resulted in three horticultural gifts to the whole world: Lakewold in Tacoma, the Wetherill Preserve in Bellevue, and the Bloedel Reserve on Bainbridge Island.

Along Des Moines Way still remain a few of the 1,200 elms memorializing soldiers lost in World War I, a project we sponsored in 1921. Also surviving are some of the pink dogwoods we gave to the University of Washington campus in 1925, and most of the flowering crabapples, honoring George Washington's Bicentennial, which we planted on the north shore of Greenlake in 1932. The University's Arboretum, whose design by Olmsted Brothers of Boston we commissioned in 1934, continues to flourish, in spite of a setback caused by the terrible destruction wrought by the winter of 1990-91. We have always been a faithful collective annual contributor, with special emphasis on Azalea Way. In 1984 we donated \$50,000 toward the Arboretum's exceedingly attractive and heavily used Donald Graham Visitor's Center, In 1985 we gave \$25,000 to the University's Center for Urban Horticulture; and in return the University has given us a room at the Center for our very own use - a boiled-down but adequate surrogate for the headquarters building for which earlier members hoped and saved.

Our still-extant plantings of 1930 on each side of Aurora Avenue as it cuts through Woodland Park came about after we lost the battle to save the Park from being cut at all. We have won a few battles too, such as saving the south shore of Shilshole Bay from developers and for the present pretty park; and helping to create the linear Burke-Gilman Trail Park from an abandoned railroad right-of-way. We have encouraged "pocket parks," freeway planting, wilderness preservation, and bird sanctuaries. We have donated our funds and our enthusiastic interest not only to Lakewold and the Wetherill Preserve, but

also to the gardens at the Lighthouse for the Blind, Home of the Good Shepherd, Burke Museum, and the Species Rhododendron Garden at Weyerhaeuser's corporate headquarters in Federal Way. In 1959 we initiated and helped to fund the beautification of the Lake Washington Ship Canal. We are still involved, especially in the Carl English gardens at the Government Locks.

We have contributed to conservation education through teachers' summer work-shops, field trips for members, the Student Conservation program in our national parks, and distributing the excellent G.C.A. Conservation Packet to every grammar school in Seattle. We also gladly participate in the G.C.A. Exchange (with England) Fellowship. We firmly ally ourselves with other conservation-dedicated groups in recycling, and in trying to protect the wildflowers, the wetlands, the wildlife and, in short, the best interests of this planet.

We have presented many horticultural and flower-arranging speakers, classes, and competitive exhibits, for our own and the public's education and pleasure.

Our Club has served as host for two national G.C.A. meetings, in 1930 and 1977; for two Zone XII meetings, in 1968 and 1994; and a national Board of Associates meeting in May of 1991.

In 1992 we collaborated with the Pacific Science Center to produce at the Center a marvelous Beatrix Potter exhibit, straight from England. Mr. McGregor's vegetables and watering can, for instance, were scaled as large as they would appear to Peter Rabbit. Delights abounded. For the first weekend of the three-

month exhibit, we staged a competitive flower show in among it all, including a profitable preview party.

In May of 1995 our Club staged a Club Flower Show, "Secret Gardens," at the homes of Mrs. James C. Pigott and Mrs. William G. Reed.

At the Annual Meeting in June of 1997 the Seattle Garden Club celebrated its "Eightieth Year."

In 1998 and 1999 the Seattle Garden Club sponsored an award at the Northwest Flower and Garden Show. Three Judges from our Club judged and made the award, "Au Naturel," to the garden best displaying a naturalistic design.

In 1998 we entered the Vignette category of the Northwest Flower and Garden Show. Talented members created an entryway with the theme "Our Scandinavian Heritage" – and we won a blue ribbon!

In April 1999, we held a Small Flower Show "ZOOBOTANICA" at the Woodland Park Zoological Gardens. It featured seven horticulture and six floral classes. We won the Beattie, Puckett, and Crammond Awards. Three of our members won GCA Awards for Best in Show, Flower Arranging, Horticulture, and Photography. "ZOOBOTANICA" also received Judges' Commendations for both the schedule and staging – rare indeed. We also received five Judges' Commendations for floral and horticulture classes. The preview cocktail party was fabulous and was even graced with a life-size papier-mâché zebra!

In 2000, the Seattle Garden Club Endowment Fund was established at the Seattle Foundation.

In 2001, the Club continued its efforts to give back to the community by making contributions for the establishment of a Community Park at Planned Parenthood, allocating funds to refurbish the entry shade garden at CUH and providing patio heaters for the healing Garden at Cancer Lifeline.

# SEATTLE GARDEN CLUB CIVIC PROJECTS

#### 1921
