## *A Brief History of The Seattle Garden Club 1917-2011*

The Seattle Garden Club was founded in 1917. For a few informal years we could make our own rules, such as summers-only memberships, even a few gentlemen members. The Garden Club of America tightened us up when we affiliated in 1923. In spite of our ever-after obligation to conform to *their* rules, we have been more than compensated by the many joys of association. We are among 191 clubs thus associated. Regional and national meetings, visits from national and regional officers and other experts, and mutual projects with Portland and/or Tacoma have led to delightful encounters with like-minded persons, and even to lifelong friendships. We have proudly contributed a fair share of regional and national officers too.

Each generation of members has produced enthusiastic and generous individuals who have generated magnificent horticultural enhancements for Seattle, and who have given our Club all the credit. Most of their names can be found on our list of medalists; and because of them, we can truthfully boast that Seattle has become a more beautiful city because this Club exists. Furthermore, the wonderful generosity of three of our members, during the past few years, has resulted in three horticultural gifts to the whole world: Lakewold in Tacoma, the Wetherill Preserve in Bellevue, and the Bloedel Reserve on Bainbridge Island.

Along Des Moines Way still remain a few of the 1,200 elms memorializing soldiers lost in

World War I, a project we sponsored in 1921. Also surviving are some of the pink dogwoods we gave to the University of Washington campus in 1925, and most of the flowering crabapples, honoring George Washington's Bicentennial, which we planted on the north shore of Greenlake in 1932. The University's Arboretum, whose design by Olmsted Brothers of Boston SGC commissioned in 1934, continues to flourish. SGC continues its consistent support of the University of Washington.

Our still extant plantings of 1930 on each side of Aurora Avenue as it cuts through Woodland Park came about after we lost the battle to save the Park from being cut at all. We have helped save the south shore of Shilshole Bay and helped create the present park and the linear Burke-Gilman Trail Park from an abandoned railroad right-of-way. We have encouraged "pocket parks," freeway planting, wilderness preservation, and bird sanctuaries. We have donated our funds and our enthusiastic interest not only to Lakewold and the Wetherill Preserve, but also to the gardens at the Lighthouse for the Blind, Home of the Good Shepherd, Burke Museum, and the Species Rhododendron Garden at Weyerhaeuser's corporate headquarters in Federal Way. In 1959 we initiated and helped to fund the beautification of the Lake Washington Ship Canal. We are still involved, especially in the Carl English gardens at the Government Locks.

We have contributed to conservation education through teachers' summer work-shops, field trips for members and the Student Conservation program in our national parks. We also gladly

participate in the GCA Exchange (with England) Fellowship. We support the Conservation Pledge of the Garden Club of America (see page 3).

We have presented many horticultural and flower-arranging speakers, classes, and competitive exhibits, for our own and the public's education and pleasure.

Our Club has served as host for two national GCA meetings, in 1930 and 1977; for two Zone XII meetings, in 1968 and 1994; and a national Board of Associates meeting in May of 1991.

In 1992 we collaborated with the Pacific Science Center to produce at the Center a marvelous Beatrix Potter exhibit, straight from England. For the first weekend of the three-month exhibit, we staged a competitive flower show.

In May of 1995 our Club staged a Club Flower Show, "Secret Gardens," at the homes of Mrs. James C. Pigott and Mrs. William G. Reed.

In 1998 and 1999 The Seattle Garden Club sponsored an award at the Northwest Flower and Garden Show. Three judges from our Club judged and made the award, "Au Naturel," to the garden best displaying a naturalistic design.

In 1998 we entered the Vignette category of the Northwest Flower and Garden Show. In "Our Scandinavian Heritage" category we won a blue ribbon.

In April 1999, we held a Small Flower Show "ZOOBOTANICA" at the Woodland Park Zoological Gardens.

In 2000, the SGC Endowment Fund was established at the Seattle Foundation with a contribution of \$70,000.

In 2001 and 2002, the SGC continued its

community support through contributions to the establishment of a Community Park at Planned Parenthood, funds to refurbish the entry shade garden at CUH, the Healing Garden at Cancer Lifeline, and the rare plant collection at CUH.

In the fall of 2002 we had "Raising the Roof," a Small Flower Show held at the Center for Urban Horticulture. Proceeds raised from the Preview Party were donated to help rebuild CUH after the ecoterrorist attack. Donations from SGC members were 100%.

There have been several Club Flower, Horticulture & Photography Shows in conjunction with the Annual Meetings held at Broadmoor Golf Club.

2004 – "Swinging in the Spring"

2005 – "Just for Laughs"

2006 – "For Arts Sake"

2007 – "It's Magic"

There was great participation, learning and help in preparing for our Small Flower, Horticulture & Photography Show in 2007.

Our Auction at the Christmas Luncheon continues to raise more funds every year for our Community Projects. Depending on our table creations done by our members, they are sometimes distributed to various non-profit agencies around the city. The 2005 Auction raised the most ever at \$38,492.00.

In 2004 a new committee called Policy & Planning was formed for the purpose of long range planning for our club. It was made a Standing Committee in 2005, and as of June 2010 the President-Elect chairs the committee.

A special fundraiser called “Blooms & Glass” was held in May 2006 in the gardens of member Diana Neely. This was a huge and magical installation of glass pieces by world renowned glass artist Dale Chihuly. The Seattle Garden Club was able to raise over \$27,000.00 at this once-in-a-lifetime event.

In 2004 Daniel Hinkley was the recipient of the Garden Club of America Medal of Honor for outstanding service in Horticulture.

In 2005 two generous gifts of \$30,000.00 each were given to The Seattle Garden Club. These are managed in two separate accounts at the Seattle Foundation.

The first is the Pamela Green Speaker Fund for nationally recognized Horticulture speakers at major club events. This gift is in honor of three generations of the Joshua Green family who have served as President of the SGC.

The second is the Iris Wagner Conservation Leadership Fund for nationally recognized Conservation speakers. The purpose of this fund is to encourage speakers for the SGC focusing on general issues of conservation.

The Seattle Garden Club website was created to increase our communications capabilities. Many members receive their Newsletter by e-mail and it is available online. Our club continues to update the website to make it more user friendly and to hone its skills.

SGC continues to support Community Projects as listed on the next pages. However, due to an extremely prosperous year in 2005/06 the membership voted for a larger Community Project. We pledged \$50,000.00 to the Seattle Art

Museum for the Seattle Vivarium Nurse Log in the SAM Olympic Sculpture Park, payable over three years.

On May 18-19, 2007, the GCA flower show "It's Magic" was held at the UWBG and earned Judges' Commendations for hospitality, schedule, staging and the Conservation Exhibit.

In 2007, the SGC refurbished the former Entry Garden at UWBG and renamed it the SGC Fragrance Garden.

We celebrated our 90th Anniversary at the Annual Meeting in June with a festive luncheon. We honored the Past Presidents, Honorary Life Members and enjoyed a video on "Then & Now."

In 2008, SGC supported community projects by funding the Demonstration Garden at the Japanese Garden Gatehouse and a planter boat at the new Lake Union waterfront park.

On January 15, 2009, the SGC hosted the very successful Fergus Garrett Lecture at the Asian Art Museum which drew good attendance from the membership and the community. On May 11 the Iris Wagner Conservation Lectureship Fund made possible an educational symposium: TOWARD A HEALTHY PUGET SOUND with William Ruckelshaus as the moderator for the panel discussion. An impressive number of directors and staff members of partner organizations helped to promote and support our efforts in bringing this timely symposium to the community. We were also very pleased to announce that William A. Ruckelshaus, the first Administrator of the U.S. Environmental Protection Agency, received GCA's Francis K.

Hutchinson Medal, awarded for distinguished service to conservation.

In 2009, thanks to another very successful auction, we granted \$20,000 to Bloedel Reserve and \$10,000 to the Seattle Children's PlayGarden.

We reached an agreement with CUH to renew our office lease for ten more years and also agreed to renew our three-year maintenance agreement for the Fragrance Garden.

The GCA's 100th Birthday will be celebrated in 2013 and clubs have been asked to participate in their nationwide project called, "2013 Preserving the Past, Growing the Future: Theme Trees, Our Living Legacy." For the GCA's Centennial Tree Project the SGC chose the *Thuja plicata* (Western Red Cedar) and *Amelanchier alnifolia* (Pacific Serviceberry) – both highly valued in Northwest Native American culture.

Since 2009 SGC members have been growing *Thuja plicata* and *Amelanchier alnifolia* as part of our Centennial Tree Project. Half of the cedar seedlings planted at Magnuson Park are now established and many are thriving. In the fall of 2011 the serviceberries were planted at Montlake Cut Waterside, and the remainder of the cedar seedlings were planted in the Yesler Swamp area of the Union Bay Natural Area of the University of Washington's Botanical Garden. This completes the project for GCA, but we will continue to monitor the trees' progress.

On May 19, 2011, our GCA flower show "Welcome Aboard" was held at the Maritime Event Center on the waterfront. Designed to celebrate Maritime Seattle, the show received

enthusiastic praise from the judges and a warm reception from the public on May 20.

At the annual meeting Kathy Fletcher, retiring Executive Director of People for Puget Sound, received the GCA "Conservation Commendation" award.

In the spring the SGC was among the first of the Zone XII clubs to benefit from GCA's "FA 101 Class", a new educational format for flower arrangers.

The SGC has a long history of support for the Montlake Cut Waterside Trail. In 1958 the original Lake Washington Ship Canal Project was a finalist for the GCA Founders Fund, and today we are still very much involved. The project was originally designed by the US Army Corps of Engineers, landscape architects and the Seattle Garden Club. \$4,000 was given in 1970 and focused on the Montlake Cut portion. Constructed in 1970, this was designated as a National Recreation Trail. When the Community Projects Committee reviewed past projects in 2008, the Montlake Cut section was included for review. The trail (and the SGC sign) had suffered neglect and were found to be in serious disrepair. Concerned members of the SGC met with representatives from the Seattle Parks Department and the US Army Corps of Engineers at the site and prepared a restoration plan. The new East Montlake Park Restoration Project received \$2,500 from Partners for Plants (P4P) in 2008 and restoration began with the support of SGC volunteers, Seattle Parks, the USACE and local Boy Scout Troop 15. \$2,500 more P4P monies from GCA were authorized this year for propaga-

tion of native plants to replace the invasives. The Montlake Cut Waterside Trail is now one of our most successful ongoing projects.

In 2011 a \$2,500 grant was awarded to the Dunn Garden for scientific testing and documentation of their Heritage Trees and a second grant for \$4,500 was awarded for professional consultation and reforestation for the same Heritage Tree Program. The Bloedel Reserve received a \$7,500 grant for Phase II of their Japanese Garden Project. Community Projects received an internal grant of \$1,000 for seasonal plantings and maintenance of the four containers we purchased for the Fragrance Garden. The decisions for design and plantings were approved by the Curatorial Committee of the UWBG.

The General meeting in January (actually held in February due to snow) was the culmination of the SGC's 95th anniversary. Many of the Club's historical events can be found listed in the Green Book.

The 2012 Pam Green Horticulture Speaker was Andrea Wulf, best selling English author of *The Founding Gardeners*, a fascinating look at our founding fathers from the unique perspective of their lives as gardeners, plantsmen and farmers.

## GCA PROCEDURES FOR VISITING GARDENS

One of your great opportunities as a GCA member is to visit the loveliest private gardens in the world. Procedures for arranging garden visits are as follows:

At least two (2) weeks, if possible, before taking a trip, a member should telephone her Club Chair for the name, address and phone number of her Zone Visiting Gardens Representative.

The Zone Representative will give the member the name of the Visiting Gardens Club Chair in the city that she will be visiting.

The member then contacts the Club Chair and gives the dates of her visit and kinds of gardens of interest to her. If there will be other people with the member (she may bring three non-GCA guests on a garden tour), she should tell the Club Chair at this time.

The Club Chair will set up a garden tour and arrange to contact the member when she arrives in the city.

When planning a visit to Hawaii, please make your request four (4) weeks in advance. Also, Mt. Desert GC has specific rules (ask Zone Rep.).

Information for visiting gardens of GCA Courtesy Clubs may be obtained from the Visiting Gardens Committee Zone Representative. The Courtesy Clubs are: Garden Clubs of Montreal, Toronto, Vancouver, Jamaica, Bermuda, Bavaria, Uruguay, and New Zealand. There is also a non-GCA contact person in Charleston, South Carolina, as there is no GCA Club in Charleston. Requests to these clubs should be made at least four (4) weeks ahead.

Remember that the Visiting Gardens Committee does not authorize using any Visiting Gardens privileges for professional purposes, i.e., for professional photography or for articles to be professionally published.
