A Brief History of The Seattle Garden Club 1917–2014

The Seattle Garden Club was founded in 1917. For a few years we could make our own rules, such as summer-only memberships, and even accepted a few gentlemen members. When we affiliated with The Garden Club of America in 1923, we became a more formal club. In spite of our ever-after obligation to conform to *their* rules, we have been more than compensated by the many joys of association among 200 clubs. Regional and national meetings, visits from national and regional officers and other experts, and mutual projects with Portland and/or Tacoma have led to delightful encounters with like-minded persons, and even to lifelong friendships. We have proudly contributed a fair share of regional and national officers too.

Each generation of members has produced enthusiastic and generous individuals who have generated magnificent horticultural enhancements for Seattle, and who have given our Club all the credit. Most of their names can be found on our list of medalists; and because of them, we can truthfully boast that Seattle has become a more beautiful city because this Club exists. Furthermore, the wonderful generosity of three of our members over the years, has resulted in three horticultural gifts to the whole world: Lakewold in Tacoma, the Wetherill Preserve in Bellevue, and the Bloedel Reserve on Bainbridge Island.

A few of the 1,200 elms along Des Moines Way still remain, memorializing soldiers lost in WWI, a project we sponsored in 1921. Also sur-

viving are some of the pink dogwoods we gave to the University of Washington campus in 1925, and most of the flowering crabapples, honoring George Washington's Bicentennial, which we planted on the north shore of Greenlake in 1932. The University's Arboretum, commissioned by SGC in 1934 and designed by Olmsted Brothers of Boston, continues to flourish. And the SGC maintains its consistent support of the University of Washington.

Our still extant plantings of 1930 on each side of Aurora Avenue as it cuts through Woodland Park came about after we lost the battle to save the Park from being cut at all. We have helped save the south shore of Shilshole Bay and helped create the present park, and the linear Burke-Gilman Trail Park from an abandoned railroad right-of-way. We have encouraged "pocket parks", freeway planting, wilderness preservation, and bird sanctuaries. We have donated our funds and our enthusiastic interest not only to Lakewold and the Wetherill Preserve, but also to the gardens at the Lighthouse for the Blind, Home of the Good Shepherd, Burke Museum, and the Species Rhododendron Garden at Weyerhaeuser's corporate headquarters in Federal Way. In 1959 we initiated and helped to fund the beautification of the Lake Washington Ship Canal. We are still involved, especially in the Carl English gardens at the Government Locks.

We have contributed to conservation education through teachers' summer work-shops, field trips for members and the Student Conservation program in our national parks. We also gladly participate in the GCA Exchange (with England)

Fellowship, and support the Conservation Pledge of the Garden Club of America (see page 3).

We have presented many horticultural and floral design speakers, classes, and competitive exhibits, for our own and the public's education and pleasure.

Our Club has served as host for two national GCA meetings, in 1930 and 1977; for two Zone XII meetings, in 1968 and 1994; and a national Board of Associates meeting in May of 1991.

In 1992 we collaborated with the Pacific Science Center to produce a marvelous, three month Beatrix Potter exhibit at the Center, straight from England. And we staged a competitive flower show during that first weekend of the opening.

In May of 1995 our Club staged a Club Flower Show, "Secret Gardens", at the homes of Mrs. James C. Pigott and Mrs. William G. Reed.

In 1998 and 1999 The Seattle Garden Club sponsored an award at the Northwest Flower and Garden Show. Three judges from our Club judged and made the award, "Au Naturel", to the garden best displaying a naturalistic design.

In 1998 we entered the Vignette category of the Northwest Flower and Garden Show. In "Our Scandinavian Heritage" category we won a blue ribbon.

In April 1999, we held a Small Flower Show "Zoobotanica" at the Woodland Park Zoological Gardens.

In 2000, the SGC Endowment Fund was established at the Seattle Foundation with a contribution of \$70,000.

In 2001 and 2002, the SGC continued its community support through contributions to the

establishment of a Community Park at Planned Parenthood, funds to refurbish the Entry Shade Garden at CUH, the Healing Garden at Cancer Lifeline, and the rare plant collection at CUH.

In the fall of 2002 we had “Raising the Roof”, a Small Flower Show held at the Center for Urban Horticulture. Proceeds raised from the Preview Party were donated to help rebuild CUH after the ecoterrorist attack. Donations from SGC members were 100%.

There have been several Club Flower, Horticulture & Photography Shows in conjunction with the Annual Meetings held at Broadmoor Golf Club.

2004 – “Swinging in the Spring”

2005 – “Just for Laughs”

2006 – “For Arts Sake”

2007 – “It’s Magic”

There was great participation, learning and help in preparing for our Small Flower, Horticulture & Photography Show in 2007.

Our Auction at the Christmas Luncheon continues to raise more funds every year for our Community Projects. Depending on our table creations done by our members, they are sometimes distributed to various non-profit agencies around the city. The 2005 Auction raised the most ever at \$38,492.

In 2004 a new committee called Policy & Planning was formed for the purpose of long range planning for our club. It was made a Standing Committee in 2005, and as of June 2010 the President-Elect chairs the committee.

A special fundraiser called “Blooms & Glass” was held in May 2006 in the gardens of member

Diana Neely. This was a huge and magical installation of glass pieces by world renowned glass artist Dale Chihuly. The Seattle Garden Club was able to raise over \$27,000 at this once-in-a-lifetime event.

In 2005 two generous gifts of \$30,000 each were given to The Seattle Garden Club, managed in two separate accounts at the Seattle Foundation.

The first is the Pamela Green Speaker Fund for nationally recognized Horticulture speakers at major club events. This gift is in honor of three generations of the Joshua Green family who have served as President of the SGC.

The second is the Iris Wagner Conservation Leadership Fund for nationally recognized Conservation speakers. The purpose of this fund is to encourage speakers for the SGC focusing on general issues of conservation.

The Seattle Garden Club website was created to increase our communication capabilities and it continues to be updated. Many members receive their Newsletter by e-mail and it is available online.

SGC has a long history of supporting Community Projects, as listed on the next pages. And, due to an extremely prosperous year in 2005/06 the membership voted for a larger Community Project. We pledged \$50,000 to the Seattle Art Museum for the Seattle Vivarium Nurse Log in the SAM Olympic Sculpture Park, payable over three years.

On May 18-19, 2007, the GCA flower show "It's Magic" was held at the UWBG and earned Judges' Commendations for hospitality, sched-

ule, staging and the Conservation Exhibit.

In 2007, The Seattle Garden Club refurbished the former Entry Garden at UWBG and renamed it the SGC Fragrance Garden. The University of Washington awarded The Seattle Garden Club with Benefactor Status which signifies over \$100,000 has been given to the UWBG/Arboretum by SGC. During the award ceremony Bruce Bare, the Dean of the School of Forest Resources, spoke of SGC's long history with UWBG. Then bagpipes led us into the garden for the ribbon cutting with Mayde Anderson, Joey Hazen and Sylvia Duryee, followed by a festive lunch.

We celebrated our 90th Anniversary at the Annual Meeting in June with a festive luncheon. We honored the Past Presidents, Honorary Life Members and enjoyed a video on "Then & Now".

On January 15, 2009, the SGC hosted the very successful Fergus Garrett Lecture at the Asian Art Museum. On May 11 the Iris Wagner Conservation Lectureship Fund made possible an educational symposium: TOWARD A HEALTHY PUGET SOUND with William Ruckelshaus as the moderator for the panel discussion.

In 2009 we reached an agreement with CUH to renew our office lease for ten more years and also renewed our three-year maintenance agreement for the Fragrance Garden.

The GCA's 100th Birthday was celebrated in 2013 and clubs were asked to participate in their nationwide project called "2013 Preserving the Past, Growing the Future: Theme Trees, Our Living Legacy". For the GCA's Centennial Tree Project the SGC chose the *Thuja plicata* (Western Red Cedar) and *Amelanchier alnifolia* (Pacific

Serviceberry) – both highly valued in Northwest Native American culture.

Since 2009 SGC members have been growing these trees as part of our Centennial Tree Project. Half of the cedar seedlings planted at Magnuson Park are now established and thriving. In the fall of 2011 the serviceberries were planted at Montlake Cut Waterside, and the remainder of the cedar seedlings were planted in the Yesler Swamp area of the Union Bay Natural Area of the University of Washington's Botanical Garden. This completes the project for GCA, but we will continue to monitor the trees' progress.

On May 19, 2011, our GCA flower show "Welcome Aboard" was held at the Maritime Event Center on the waterfront. Designed to celebrate maritime Seattle, the show received enthusiastic praise from the judges and a warm reception from the public on May 20.

In the spring the SGC was among the first of the Zone XII clubs to benefit from GCA's "FA 101 Class", a new educational format for floral designers.

The SGC has a long history of support for the Montlake Cut Waterside Trail. In 1958 the original Lake Washington Ship Canal Project was a finalist for the GCA Founders Fund, and today we are still very involved. The project was originally designed by the US Army Corps of Engineers, landscape architects and the Seattle Garden Club. \$4,000 was given in 1970 and focused on the Montlake Cut portion. Constructed in 1970, this was designated as a National Recreation Trail. In 2008 the trail had suffered neglect and was found to be in serious disrepair. Concerned members of

the SGC met with representatives from the Seattle Parks Department and the US Army Corps of Engineers at the site and prepared a restoration plan. The new East Montlake Park Restoration Project received \$2,500 from Partners for Plants (P4P) in 2008 and restoration began with the support of SGC volunteers, Seattle Parks, the USACE and local Boy Scout Troop 15. \$2,500 more P4P monies from GCA were authorized this year for propagation of native plants to replace the invasives. The Montlake Cut Waterside Trail, newly renamed, is now one of our most successful ongoing projects.

In 2011 the General Meeting was the culmination of the SGC's 95th anniversary. Many of the Club's historical events can be found listed in this yearbook.

The 2012 Pam Green Horticulture Speaker was Andrea Wulf, best selling English author of *The Founding Gardeners*, a fascinating look at our founding fathers from the unique perspective of their lives as gardeners, plantsmen and farmers.

At our September meeting the SGC received two service awards, the President's Volunteer Service Award with a bronze pin and a letter from President Obama for 254 hours of work last year at the East Montlake Park, and a Certificate of Appreciation from the U.S. Army Corps of Engineers for "outstanding volunteer service and performance at the Lake Washington Ship Canal."

We celebrated The Centennial Year of the GCA at our February Annual Business Meeting with a presentation by Diana Neely of the

organization's interesting, rich history and the moving story of the women who founded and nurtured it. The SGC once again sent two members to the NAL conference.

At our May General Meeting Thatcher Bailey, Executive Director of the Seattle Parks Foundation, spoke inspiringly about the Foundation's new projects and of the SGC's ongoing support of many park projects. Later that evening The Iris Wagner Conservation Lecture was held at the Seattle Aquarium featuring Peter Seligman and Jean Enersen discussing "We Are All Connected". The goal was protecting nature globally and locally for the well being of humanity.

The annual meeting in June featured a beautiful floral design show, "A Symphony of Flowers". This year also saw a review and revision of the ByLaws of the SGC. In 2013 we were pleased to see that the gardens of two of our members, Deborah Cheadle and Lexie Robbins, were featured in separate issues of the Seattle Times Pacific Magazine.

In August, an event was held to install the restored *Story of North Island* totem pole in the East Montlake Restoration Project, an area the SGC has supported for many years.

In January our zone and club were honored when two deserving members were elected by GCA Board of Directors to hold Zone XII GCA positions: Iris Wagner will be a Director on the GCA Board of Directors and Pam Green will serve as a Nominating Representative.

At our February 2014 annual business meeting we discussed how SGC might celebrate the

2017 SGC Centennial and increase our visibility in the community.

In June we held a Club Flower Show, “Seattle in Focus”, that included horticulture, floral design and photography entries.

For several years the Garden History and Design and Photography committees have worked on a project to print books featuring a numbers of our members’ gardens. Three beautiful books have now been published, (2010, 2012 and 2014) featuring photos taken by our own committee members.

2014-2015 was an exceptionally busy year. Arrangements proceeded for the Shirley Me-neice Horticultural Conference “From Mountains to Sound” scheduled for September 2015. National conferences require a great degree of planning and organization, so praise goes to those members who volunteered so many hours throughout the year. The spring registration was filled within a record two weeks!

At the same time, SGC planning continued for the “Northwest Passages: A Garden Club of America Flower Show” held May 15-16, 2015 at the Bellevue Botanical Garden. The show was designed to explore horticulture, floral design conservation and photography. By all accounts, it was an outstanding success. The GCA judges gave us their Award of Appreciation in gratitude for our exceptional hospitality, excellent organization and efficient runners! The show included the Conservation Committee’s timely display “The Bellevue Botanical Garden and Reusing Roof Rainwater Exhibit.”

We continued to enjoy interesting and informative programs throughout the year. Iris Wagner enlightened us about her position as Director of Zone X11. Pam Green, Nominating Committee Representative for our Zone explained her committee's thorough process for identifying award candidates from the 200 GCA clubs. In the fall, the Conservation Committee sponsored an Electronic Recycle Drop-Off and many members took advantage of the chance to get rid of excess electronic equipment. The Photography Committee encouraged members to plan throughout the year for photo submittals to GCA Shows. The Horticulture Committee reminded us that the Elizabeth Miller Library is full of valuable plant information for the Seattle area and suggests members visit.

The Board approved plans for both the SGC's 2017 Centennial Celebration and the new SGC website. The newsletter is now available online, and both the SGC and the GCA encourage us to use email for club communications.

GCA PROCEDURES FOR VISITING GARDENS

One of your great opportunities as a GCA member is to visit the loveliest private gardens in the world. Procedures for arranging garden visits are as follows:

At least two (2) weeks, if possible, before taking a trip, a member should telephone her Club Chair for the name, address and phone number of her Zone Visiting Gardens Representative.

The Zone Representative will give the member the name of the Visiting Gardens Club Chair in the city that she will be visiting.

The member then contacts the Club Chair and gives the dates of her visit and kinds of gardens of interest to her. If there will be other people with the member (she may bring three non-GCA guests on a garden tour), she should tell the Club Chair at this time.

The Club Chair will set up a garden tour and arrange to contact the member when she arrives in the city.

When planning a visit to Hawaii, please make your request four (4) weeks in advance. Also, Mt. Desert GC has specific rules (ask Zone Rep.).

Information for visiting gardens of GCA Courtesy Clubs may be obtained from the Visiting Gardens Committee Zone Representative. The Courtesy Clubs are: Garden Clubs of Montreal, Toronto, Vancouver, Jamaica, Bermuda, Bavaria, Uruguay, and New Zealand. There is also a non-GCA contact person in Charleston, South Carolina, as there is no GCA Club in Charleston. Requests to these clubs should be made at least four (4) weeks ahead.

Remember that the Visiting Gardens Committee does not authorize using any Visiting Gardens privileges for professional purposes, i.e., for professional photography or for articles to be professionally published.
