

HORT CHECK-IN FOR NORTHWEST PASSAGES

We have two check-in times for Horticulture Entries for the Flower Show.

On Thursday afternoon, May 14, from 1-4 pm, we will accept all potted entries. This means all entries that are planted:

Classes 21 through 24 -- Sarracenias, Canoes, Climbers

and

Classes 27 and 28 -- PAR

On Friday morning, May 15, from 7:30-10 am we will accept all cuts:

Classes 1-20

and

Classes 25-26 Baird Boards

We have devised this schedule to make the passing and entry process run smoothly and hope there will be no deviations.

We encourage you to search your gardens for cuts! When you arrive with cuts on Friday morning, they should be already groomed and ready for placement in bottles with as little additional grooming as possible. Three sizes of bottles will be provided as well as wedging materials.

Please complete your entry cards before you come to check in.

Laurie Riley and Debbi Wilson, Hort Division Co-Chairs
