How to Complete a Horticulture Entry Card

If you choose to fill out the form electronically & print on the computer, enter/type information into the blue text boxes. You should then print on white card stock, or you may print the blank card on card stock and then fill in with black waterproof ink. (Please note: If your printer goes rogue and prints the Hort entry cards larger than they should be, select “actual size” in your preferences. Completed cards should measure approximately 3 7/8” wide X 8 1/2”.)

Please read and follow the directions below to fill out the Horticulture Entry Card correctly.

- Leave the **Passed** and **Award** blank. Check **Club** (since this is a Club Show) and enter your **Class #** (from the Schedule) **and Entry #** (given to you in advance).
- **Botanical Name** - use proper nomenclature, see the Yellow Book. Italics may not work, so never mind this. In the case of multiple plantings, where use of a Key Card is required, you may simply write “See Key Card,” if there is not enough room to list all your plants legibly.
- **Common Name** – again, this should be completed, but “See Key Card” will suffice if you have a number of plants.
- Enter **length of ownership** in months or years.
- If **Propagated by Exhibitor** check box for yes. This won’t matter for Reawakening, since we aren’t giving a propagation award, but judges might like to know this.
- If **Propagation Card** is complete check box. Must be included to qualify for special award. Not applicable.
- Check box if **Key Card** is included. A Key card must be included for an entry with more than one plant. For Reawakening, that is **Class 1 and Class 3**.
- Describe **Growing Conditions**: e.g., greenhouse, windowsill, artificial lights, outdoors, exposure to natural light
- Leave **Judges’ Comments** blank
- Check boxes for **Eligible Awards** for this entry:
 - **Novice**: Are you a Novice (never having won a blue ribbon in this discipline in a GCA or Major show)?
 - **Club Award**: Are you a member of SGC?
 - **Willemsen**: Did you propagate this entry yourself? Not applicable, leave blank
 - **Beattie**: Have you owned this six months or more? Not applicable, leave blank
- Complete general information: **Exhibitor’s name, Exhibitor’s club and zone, Show Name and Date**.
