

For your viewing pleasure (ha ha) the long awaited pilot episode: ["How to Leave Comments" video \(select here\)](#)

The step by step guide here:

1) Select the comment box - small talk bubble on left or accessible via the 3 dots (known as a Kabob menu).
2) Put your cursor in the comment box and then three icons pop up below it. A green Smugmug icon, Google Icon and Facebook icon.

3) If you select the green Smugmug icon, you can login with with username sgcmem@yahoo.com and pw rhodiesrhodies.

4) Once you login, navigate back to the [Summer Solstice Gallery](#) and leave your comments.

OR

5) Select the Google Icon and login with your gmail account if you have one. A box will pop-up for you to log-in to google and then will close and you can leave a comment.

OR

6) Select the Facebook Icon and login with your gmail account if you have one. A box will pop-up for you to log-in to google and then will close and you can leave a comment.

OR

7) Respond to the invitation from digitalgarden <no-reply@smugmug.com> to login as a guest with your own email. You will find yourself at a designated guest gallery with an extensive description that includes links to all the galleries. Select Summer Solstice 2022, find your uploaded photos and leave a comment.
