

Seattle Garden Club Supporters,

Thank you for making last year's Seattle Garden Club's online auction a resounding success. Your contributions ensured support for community projects such as the Danny Woo Community Garden, the UW Farm Culinary Garden and the native plantings for Friends of Waterfront Park.

Please join us on November 29th from 5-7pm for the 2023 online auction as we continue to support our community projects.

You can also make an Angel Donation to the Seattle Garden Club by mailing a check to:
