

# THE SEATTLE GARDEN CLUB 2024 SUMMER BINGO CHALLENGE

Sign the Healthy Yard Pledge (Found on the GCA website)	What month is Washington Native Plant Month?  What is the history of the Washington State flower?	Contact your Legislator to support an environmental cause. Check GCA website for ideas.	Get your soil tested. DIY tests can be found online
Visit an Olmsted Park. Bonus if you haven't visited it before.	Replace bottled hand soap with bar soap. Research why this helps the environment.	Make a table centerpiece using your Baïrd Board	Take a selfie at the SGC Centennial Park bench in the Arboretum. Upload it to the SGC website.
Press a Flower (Maybe we can bring them to Hort share)	Submit an idea for an SGC program to the Hort or Program Chair	Bring your own reusable bags to the grocery store for a month	Visit your local Farmers Market
Add your profile photo to the GCA website	Make a flower arrangement and give it to someone	Propagate a plant	Take a child outside and do an activity. (Outside Your Door on the SGC website has great ideas)
