## Registration Instructions

Congratulations!!! If you made it this far you are halfway there.

Everyone must register for the online auction to bid.

Registering for the Auction is different from registering for the Holiday Luncheon. To do that please go to the Holiday Luncheon tab on SGC website or scan QR code below.

We suggest you register for both events now, auction and luncheon, to avoid any confusion.

Plus, doesn't it just feel good to get these things checked off early?
